

DO YOU NEED TO OBTAIN A POOL FENCE COMPLIANCE CERTIFICATE?

If you are in the process of selling or purchasing a property with a pool or are a landlord or body corporate / property manager then the chances are that you may require a pool fence inspection.

Do you know how the Pool Fence Legislation affects you?

Our easy guide below shows you how.

Purchaser

Do you have a Form 36 Notice giving you 90 days to get your inspection done?
Do you need the current owner to get a compliance certificate in place?
Are you getting the inspection done yourself prior to purchase?

If the answer to any of these questions is YES then call **1300 POOLOK** to book your inspection today.

Seller

Do you want the best price for your property?
Do you need to ensure your Pool Fence is compliant prior to sale in order to achieve a smooth settlement?
Do you need to get an inspection done to ensure prompt and easy settlement?

If the answer to any of these questions is YES then call **1300 POOLOK** to book your inspection today

Real Estate

Do you want a smooth sale and the best result possible for your client?
